

Dear NEWIEE Community,

Thank you for your ongoing support of New England Women in Energy and the Environment. NEWIEE is pleased to offer a variety of sponsorship and membership opportunities in 2023. Please consider these options as you budget for the year. NEWIEE sponsors and members are welcome to bundle sponsorship and membership for the entire year and remit payment for all of them at once. Early commitment also is a way to become an Annual Sponsor, described below.

After a successful year of in-person events in 2022, NEWIEE hopes that our [2023 Signature Events](#) will be in-person, as long as we can hold them in a safe and healthy manner. If you have any questions or would like to move forward, please contact us at [newiee@newiee.org](mailto:newiee@newiee.org). We appreciate your engagement and support!
