

2026 NEWIEE ANNUAL AWARDS GALA

May 7, 2026 | 6-9 PM | The Westin Copley Place Boston

Gala Sponsorship Opportunities

Each spring, the region's most influential energy and environmental professionals gather for an unparalleled networking experience. The NEWIEE Annual Awards Gala brings together 650+ industry executives, government leaders, and nonprofit innovators for an evening of strategic connections and celebration of the exceptional women+ leaders driving our sector forward.

WHY SHOULD I SPONSOR?

Position your organization at the center of New England's energy and environmental ecosystem. As a sponsor, you'll have the opportunity to connect with decision-makers actively shaping the region's energy transition from utility executives and public sector energy and environmental officials to energy developers and innovators and more. Your sponsorship demonstrates leadership in advancing equity in our industry while providing:

- Direct access to a network of regional influencers
- Sustained visibility through a multi-month promotional campaign reaching 5,500+ professionals
- Formal recognition among peers who prioritize diversity, equity, and inclusion

Sponsors receive event tickets, prominent recognition during the Gala, and visibility across NEWIEE's social media, email newsletters, and web platforms.

ABOUT NEWIEE

NEWIEE is working toward a future where women+ in the energy and environmental sectors lead and contribute at all levels of the industry, bringing more diverse perspectives to inform decision-making and generating broadly beneficial outcomes.
