## Sponsorship & Membership Opportunities

Dear NEWIEE Community,

Thank you for your ongoing support of New England Women in Energy and the Environment (NEWIEE). Our work helping women+ find and thrive in our industries is as important as ever, and we need your help to continue our 2025 programming!

### Annual Sponsorship

We encourage you to consider an Annual Sponsorship, which provides year-long visibility for your company. Commit and make a single payment for your preferred level of sponsorship for each of our three signature events -- the Awards Gala, Women Shaping the Agenda, and Fall Fete. In addition to the event specific sponsorship benefits outlined below, your company logo will be displayed as an Annual NEWIEE Sponsor in all of our bi-weekly newsletters, sent to over 4000 people, and at virtual events throughout the year.

#### 2025 Benefits at 2024 Pricing

Companies that purchase an Annual Sponsorship by March 31, 2025 will save by receiving 2024 pricing

### A Range of Opportunities

We invite you to explore our full range of opportunities below, from signature events, to regional chapters to rising professional gatherings, there is something for everyone.

We also invite you to review your membership status and consider joining, renewing, or upgrading to get the full NEWIEE experience. We have both organizational and individual membership options and a 50% discount for students, non-profits, and government entities.
